

Much information is available from the 1894 state census. Included are such items as age, sex, race, relationship to head of household, marital status, if married within the year, how many children and how many living, place of birth, including parents and birthplace, children born during the year including sex and month born, number of children born of same mother, occupation, number of months unemployed, veteran status, sick or temporarily disabled, blind, deaf, etc., school attendance and number of months, able to read or write any language, speak English or language spoken, time of residence within state and country, and whether a prisoner, pauper, etc.

The following, taken from this census, lists Veterans and Veteran's Widows in Muskegon County outside the City of Muskegon.
